Re: United States v. Jason Rivera
16 Cr 801 (GBD) – Violation of Supervised Release

Dear Judge Daniels:

I was appointed CJA counsel for Jason Rivera at his Presentment on a new Southern District of New York criminal case, 21 Mag. 7411, for which he is detained without bond at the Metropolitan Detention Center.

In order to provide continuity of representation, I respectfully request that I be appointed as CJA counsel for Mr. Rivera on his violation of supervised release (“VOSR”) in 16 Cr. 801, pending before Your Honor. Patrick Joyce, prior CJA counsel for Mr. Rivera on 16 Cr. 801, consents to my taking over the representation.

An arraignment on the VOSR specifications is scheduled for September 1, 2021. I respectfully request that this arraignment be conducted remotely instead of in-person. Jason Rivera consents to this.

AUSA James Ligtenberg informs me that he has no objection to these applications.

Sincerely,

/s/

Donald J. Yannella, Esq.
